

San Diego County Black Infant Health Program

African American infants are more than twice as likely to die during their first year of life compared to all of San Diego County's infants combined.

*Together, we CAN make a difference to help ensure that
all babies are born HEALTHY!*

Program Services:

- Participation in **10-week prenatal and 10-week postpartum groups**
"Women who completed group reported they had fun, made friends, and learned information to get ready to have and raise healthy babies."
- Individualized case management and services based on client needs
- Referrals for health check-ups, emergency clothes, food, housing and more

Eligibility Requirement:

- Pregnant African American women 18 years of age or older

ALL SERVICES ARE AT NO COST
